

Happy FALL Y'ALL,  
The smell of fresh pies and leaves fill the crisp autumn air. We are excited to create a 'healthier' candy corn snack, spin a chocolate spider web, and for our Halloween chef; we will be baking 'bat' wings! Our KITCHEN TIP this month will be Table Setting. I am sure your child will be excited to help you set the table at home for meals after our lesson.  
See you in the kitchen!
