

WELCOME to May!

We are excited to work together to dig in the garden with our friends; using all fun and delicious things to make a worms-and-dirt-delight! We will then mix up some 'bugs n' cheese' to complete our Bugs in our Backyard theme. At the end of the month we will help Chef Yum Yum with his grocery list and explore our Two By Two Me & You grocery store with our monthly 'kitchen tip!' It will be an ahhhMAYzing month in the kitchen.

Love, Chef Yum Yum and all your teachers
